Premises and facilities

Please speak to our named Careers Leader to identify the most suitable opportunity for you. The academy policy on safeguarding sets out the academy's approach to allowing providers into academy as visitors to talk to our students.

The school will make the drama hall, classrooms or meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Office and in the Library. The Library is available to all students at lunch and break times.
