

# On your exam day

This checklist will help you to be as prepared as possible for your exams, so that on the day itself you can focus on doing your best.

## Before sitting your exams, ensure you know:

- the date, time and location of your exams – you might find it helpful to write this information in a calendar or planner
- who to contact at school or college in case there's an emergency that makes you late or unable to sit your exam

## What you cannot take into exams:

- any type of phone
  - revision notes
  - any type of watch (this includes analogue, digital and smart watches)
- 

## What you will need:

- a clear pencil case
  - at least two black ink pens – blue pens are not acceptable
  - an approved calculator for relevant exams
  - appropriate apparatus such as a ruler or protractor for relevant exams
  - a clear water bottle if you wish to take one in – it must not have a label
- 

## Other important information:

- Listen carefully to the invigilator's instructions which will be specific to your exam. If you are unsure of anything, please raise your hand and wait for the invigilator.
- Fill in your details on the front of your answer booklet.
- If you need additional answer sheets, raise your hand and wait for an invigilator who will provide you with one. Remember to add your details to this booklet too.
- If you need to use the toilet or feel unwell, raise your hand and wait for an invigilator who will escort you from the exam room.
- Make sure you stay silent – talking to a fellow candidate could result in disqualification from all your exams.

If you have any questions about the format on the day, please ask your teacher or exams officer.
